

## **Workshop Floor Flex Shift Job Description**

**Location:** Marceline, Missouri

**Job Summary:** Are you a hands-on problem solver who enjoys working in a team-driven environment? At Moore Fans, no two days are the same! We're looking for a motivated individual to join our workshop floor and help build high-quality industrial fans. No two days are the same—you'll get hands-on training on nearly all of our assembly processes.

### **Key Responsibilities:**

- Craft precision components
- Prioritize safety and quality – follow our top-notch training and workshop policies.
- Enjoy a steady schedule – work three shifts per week:
  - Flex shift works Friday – Sunday, 4:55 AM – 5:25 PM

### **Qualifications:**

- Problem-solver with strong critical-thinking skills.
- Team player with a positive attitude.
- Someone who's willing to learn and take on new challenges.
- Detail-oriented worker who can multitask in a dynamic environment.

### **Preferred Skills:**

- High school diploma or equivalent.

### **Benefits:**

- Competitive salary and benefits package.
- Opportunities for professional development and training.
- Positive work environment with a dedicated team.
- Three work shifts per week.
