

## Workshop Floor 2<sup>nd</sup> Shift Job Description

**Location:** Marceline, Missouri

**Job Summary:** Are you a hands-on problem solver who enjoys working in a team-driven environment? At Moore Fans, we're looking for a motivated individual to join our workshop floor and help build high-quality industrial fans. You'll receive hands-on training across nearly all of our assembly processes, giving you the opportunity to learn new skills and grow with our team.

**Key Responsibilities:**

- Fabricate blades and hubs for industrial fan assemblies.
- Assemble components according to production and quality standards.
- Prioritize safety and quality by following training procedures and workshop policies.

**Schedule:**

- Monday through Thursday, 3:20 p.m. to 1:50 a.m.
- Additional overtime hours may be required based on production needs.
- **Current schedule:** As we continue to staff up to meet customer demand, our team is currently working overtime.

**Qualifications:**

- Problem-solver with strong critical-thinking skills.
- Team player with a positive attitude.
- Someone who's willing to learn and take on new challenges.
- Detail-oriented worker who can multitask in a dynamic environment.

**Preferred Qualifications:**

- High school diploma or equivalent.

**Benefits:**

- Competitive pay and benefits package.
- Profit-sharing.
- Opportunities for professional development and training.
- Positive work environment with a dedicated team.

**Moore Fans is an Equal Opportunity Employer.**
